Noon Lunch

1:00 Strand Sessions

A. Project SEMBRAR Mentor Teachers and Teacher Participants

Full review of the expectations and responsibilities of those who may want to participate in Project SEMBRAR with support from NMHU, DLeNM and EMMA, as well as the teacher's assigned LEA.

B. Librarian Corps OER Bootcamp

*Basic Training on Place-Based Open Educational Resources (OER)*

Your mission, should you choose to accept it, is to join an elite squad who stand as a critical line of defense against educational inequality. We will equip you with the weapons of mass instruction necessary to serve our diverse populations with culturally accurate OER. In the Librarian Corps, we strive to leave no learner behind.

C. Mentorship Strand

This 2-hour session will focus on the New Mexico Public Education Department's required mentorship training (NMAC 6.60.10). The session will provide resources, ideas, and an overview on the required NMPED mentorship process. Participants will also be invited to share ideas on teacher mentorship and invited to participate in the ICLRLT's research study. This session is intended for new teachers, teacher-mentors, and administrators interested in supporting improved mentorship.

D. School-University Partnership 2025-2026 Planning

Meet with NMHU personnel and the Partnership Advisory Committee to outline goals and activities for the upcoming school year. We will review ideas generated by the Advisory and make decisions on targeted activities for the coming year.

E. Indigenous Knowledge Roadmap (closed session)

F. Norteños Leaders Rising (closed session)
